Subject: Temporary revision of scales of pay of the Scavengers and sweepers of Bowringpet Municipality

Sir,

I have the honour to forward herewith a copy of the resolution of the Municipal Council, Bowringpet, passed at their meeting held on 8th January 1945 in the matter of increasing the pay of the sweepers and scavengers by Rs 3/- per month and to state as follows:-

2 The strength of the scavenging and sweeping establishment in this Municipality is 26 of whom 17 are employed on sweeping work and Rs 10/- each and 9 are scavengers The pay sanctioned to the scavengers is Rs 11/- per month for 4 of them and Rs 9/- for the remaining 5 All these are being given the Dearness allowance of Rs 5/- each as in the case of Government employees It is reported that in view of the present difficult conditions of living the scavenging establishment of Bowringpet Municipality where a special locality allowance of one annas in the rupee is also paid in addition to Dearness allowance, plead inadequacy of pay and state that it is very difficult to maintain their families from the poor pay they get They therefore have requested that their pay may be suitably raised The Municipal Council considered the subject at their meeting held on 8/1/1945 and they have resolved that the pay of each of the sweepers and scavengers may be raised by Rs 3/- per month, and the extra cost of Rs 468/- ~~xxx~~ that will be necessary for the 6 months from January 1945 to June 1945 may be met from the closing balance of the Municipality The case of this class of poorly paid Municipal servants deserves sympathetic consideration and I therefore request that sanction of Government to revise the scale of pay as proposed by the Municipal Council temporarily may kindly be obtained The revised scales will be given effect to from 1st January 1945
